Next week Soccer Rapid City and RCYSL will offer a "Goalkeeper Camp" as a fundraiser for the new soccer complex. Brian Pitts, State Director of Coaching and DOC for Rapid City Youth Soccer League will conduct the camp. Brian is an "A" license coach who has also been part of the youth instruction team that developed the coaching DVDs made available by US Youth Soccer. This is a special opportunity for goalies to learn from one of the best.

Players pay \$100 for specialized instruction in footwork, low and high diving saves, how to deal with breakaways, and how to deal with crosses. The U10 and U12 goalies will meet at Campbell Field from 6:00 to 7:15 PM and U13 through U19 will be there from 7:30 to 9:00 PM. Get more information and sign up at [levi347@rushmore.com](mailto:levi347@rushmore.com). You don't want to miss this opportunity.

Here's some information for your fall planning. RCYSL is offering several "Sundays R Fundays" this fall. Brian Pitts will be in charge at Campbell Street Field and other sites from 2:00 to 4:00 PM. Come for Street Soccer on September 7. Try some Soccerball at the racketball courts on East Main Street North (between Omaha and Main to the east of the RC Boxing Club) on September 21. On October 5 you can put on your indoor shoes and try soccer tennis and on October 26 you can get a taste of a soccer obstacle course with a juggling contest included at Campbell Field. These activities are open to all players and parents as well (very brave parents).

The US Women have made it to the Olympic final. Check online or wait for the re-play to see the re-match of the World Cup Final as the US meets Brazil for the Gold Medal game.

The US Men are out of the Olympics but the Gold Medal game will be very entertaining. Argentina meets Nigeria Saturday in the heat and humidity of Beijing. The Bronze Medal game will put Belgium against Brazil, who have yet to win a gold medal in Olympic soccer, tomorrow. Check local television listings for times and stations. That 12 hour delay is tough.
