### **Old Business:**

Tournament Wrap Up- Tournament was a huge success. We plan to do one this fall. We had over 50 teams, great for first time. The jerseys were a huge success. Thanks to all for helping.

Camp Wrap Up: HUGE success!!! We had over 100 campers which was awesome. The coaches that came in were great. We would like to add U6 and U8 next year. ND DOC has some college guys that will come next year to help with the younger kids.

Soccer Complex: Doesn't seem to be getting anywhere. SRC has given Joan and Helen until August 15 to have a plan or something needs to change. If that happens plan B would be to change the current design a bit. Go to the city and ask for money to get 12 full size fields done and go from there. Lots of discussion took place and it was decided to move forward, we need a new complex, and should do what we need to to get it done.

**New Business: None**

D Smith moved to adjourn K.Medley 2nd
